"您們的加熱器很好用"
(Your heater works very well)

- From Taiwan, China

Cartridge heater

- Mold heating
- Metal heating
- Packaging machinery
- Plastic processing
- Medical equipment

Tubular heater

- Liquid heating
- Air heating
- Efficient baking
- Curing of lacquers and adhesives

Immersion heater

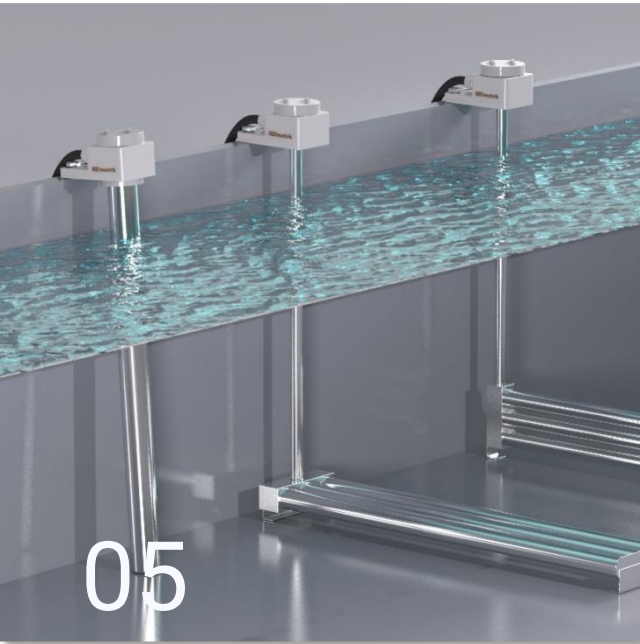

- Container heating
- Tank heating
- Pipeline heating
- Compressed air heating

Band heater

- Injection molding machinery
- Extrusion machinery
- Pipeline heating
- Thermal insulation project

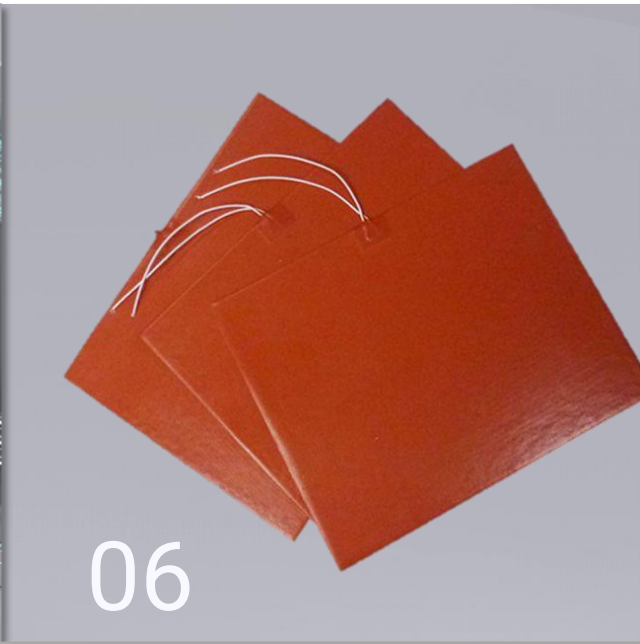

REheatek Products

05

Corrosion fluid heater

PTFE heater
Titanium heater
Incoloy800 heater

06

Silicone heating pad

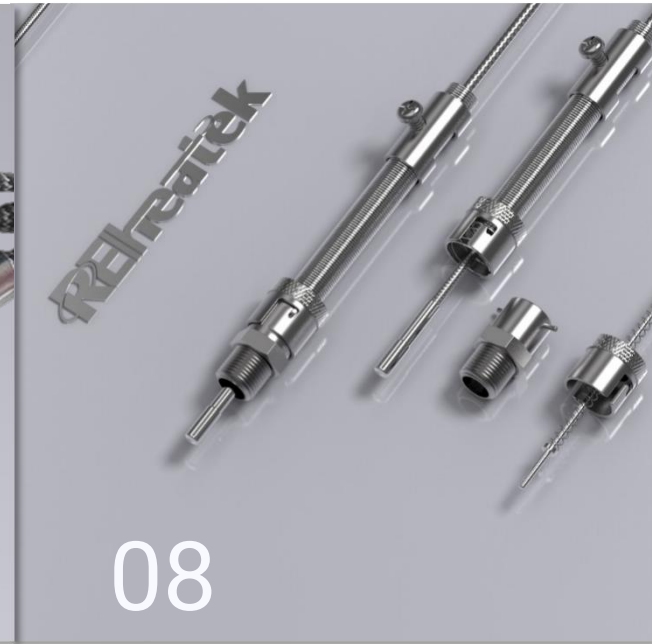

Pipe heating
Battery insulation
Barrel insulation

07

Coil heater

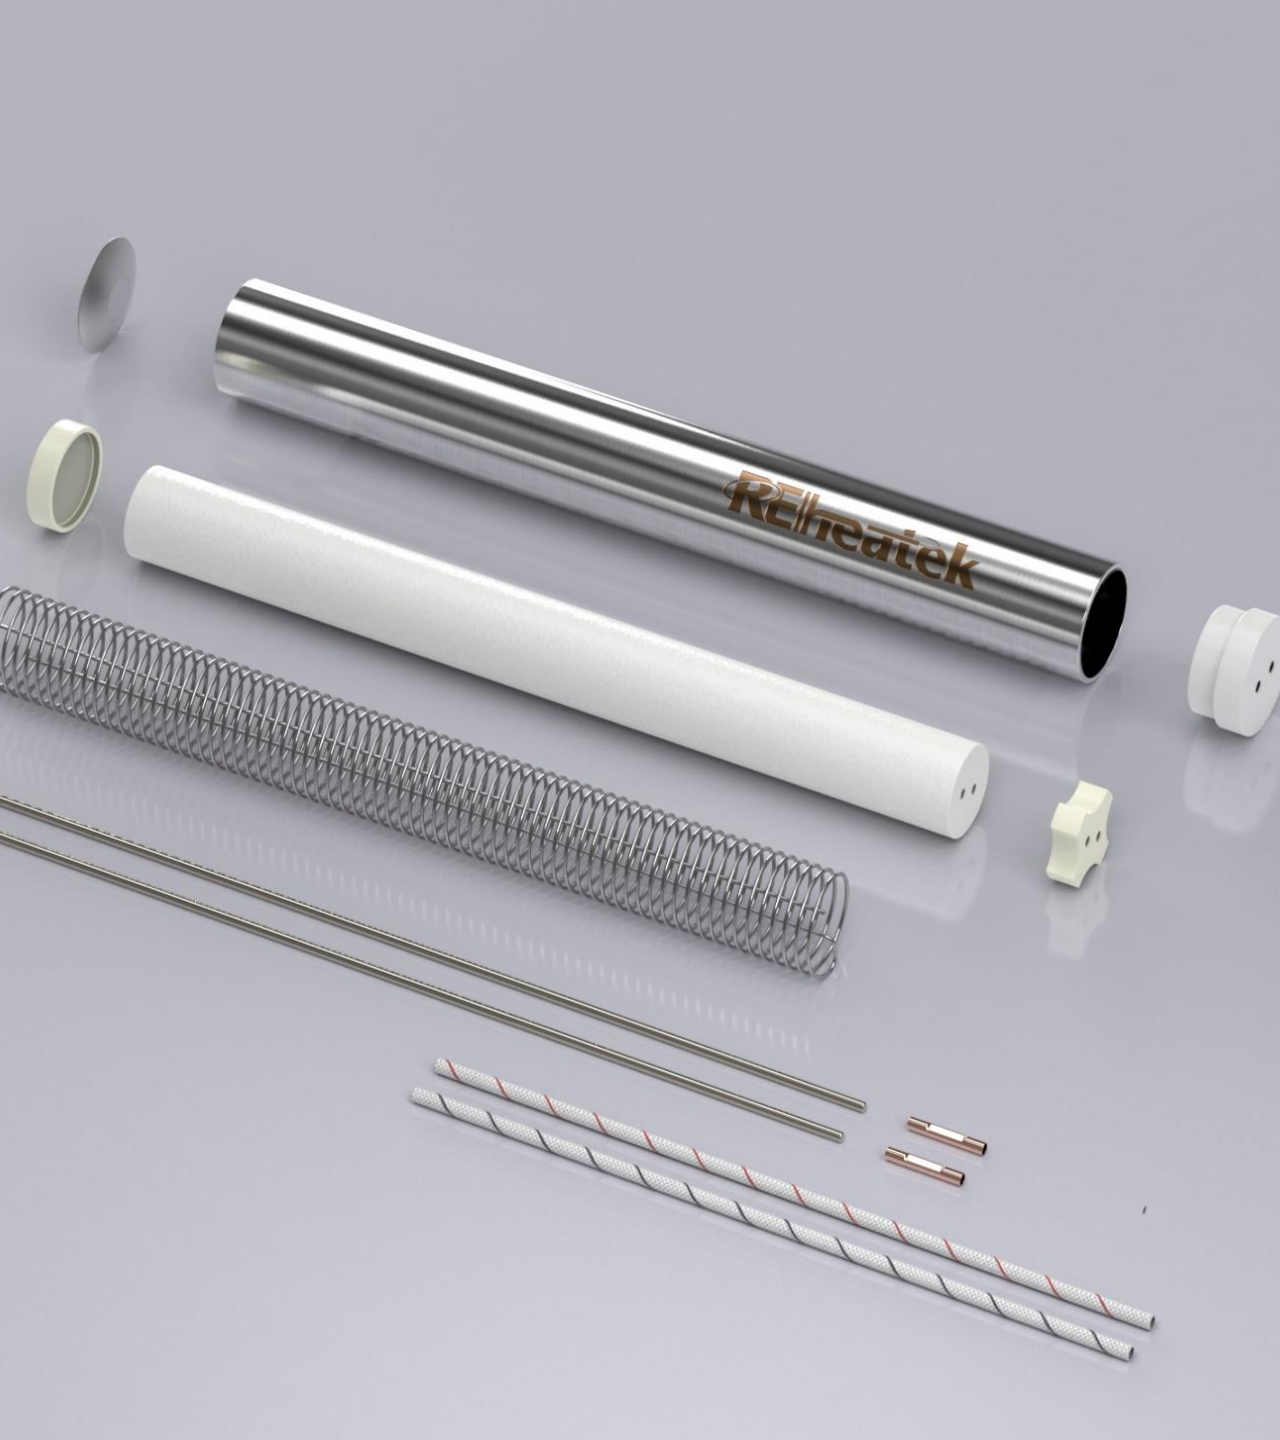

Hot runner molds
Injection nozzles

08

Thermocouple

K type
J type
Threaded type (RRLW)
Compression spring type (RRYH)
